Potentate's Message

Greetings Nobles,

Although the year is fast coming to an end, we still have many events scheduled. Although First Lady Dee and I will be gone the first part of October on our Potentate's trip, a beautiful cruise of the New England/Canada area, on our return it will be business as usual. Our October business meeting will be at Pulaski Hall at 7p with dinner at 6p. If you haven't been to a meeting lately, come on out for some great socializing with the Nobles and learn of the great projects and activities going on at your Shrine Temple.

Our annual Shrine Circus kick-off is scheduled on October 21 at Circus Park. We will open at 6p with a meal and then an informational period chaired by Chief Rabban Dave Karcher and Circus chairman P.P. Ron Stanley. Many changes have been made due to new owners of the Flint area arena. Make

sure you don't miss this very important informative session. Remember, the success of our circuses depends on the efforts of the nobility. Your assistance is needed to insure success.

October 23/24 are the dates for the fall Scottish Rite session at Consistory. This is a very fine time to renew your friendship with your Scottish Rite brothers and ask a brother to join an important part of our Masonic family. Our annual Halloween party will be on the 25th of October at Pulaski Hall. Information can be found in this issue of the Arabian Knights.

Nobles, I would like to thank all of the clubs/units and nobles for their support on our plaque and paper sales. The donations you have made to our hospitals and transportation has been nothing but outstanding. This is a tremendous assist in getting our children the excellent treatment and care provided by Shriners Hospitals. Keep up the good work. With the completion of the repair, staining, and replacement of the picnic tables, our pavilion project is now complete. If you haven't seen the improvements, stop by and take a peek. I know you will like what you see.

Nobles, our fall ceremonial at Circus Park on November 7th is fast approaching. Please try to bring a candidate or two. Membership is key to our existence. We are going to put a strong membership committee together in the near future with some interesting incentives to those who bring in new nobles. Our telemed room is almost complete and we have partnered with Covenant Hospital in Saginaw for tech and medical support. Assistant Rabban Bill Harper has put in many hours on this project and is to be commended. Many other nobles have also been active by doing research, raising funds and spreading the word about this important endeavor. We are planning an open house when the telemed room becomes operational. This will be a good time to witness the equipment in action. What a fantastic addition to our Shrine Center this will be.

Please attend as many of our social events as you can. Without your support we cannot succeed. So in closing, remember to honor your Blue Lodges and also remember a brother in need.

Yours in the Faith

Chuck Frisby

We will receive a permanent dues card. Each year when you pay your invoice for dues you will receive a colored sticker to attach to the permanent card showing your dues are current. PLEASE REMEMBER, dues cards are being mailed from Shriners International in Tampa, FL., so look for your card and invoice in the mail. More on this as we get the information from Tampa.

Cash Calendars are available from the office to sell to family and friends or give as gifts, just call and let us know how many you need. They're selling for the same price as always, \$20.00.

Nobles we have some important dates in October; 4th-10th Potentates Cruise, 14th Business Meeting in Saginaw, 21st Circus Kick Off at Circus Park(6pm), 25th Halloween Party at Saginaw. Please Nobles remember to get petitions in for the Nov. 7th Ceremonial at Circus Park. A Ladies Luncheon is planned also with the Ceremonial, so let the Ladies know and bring them along.

Nobles, dues are to be paid by Jan. 1st of each year and we still have 162 Nobles who have not paid this year. Please pay so we will not be required to suspend you from membership, if you need to pay by payments call the office and talk to Clarence.

Election of 2016 Officers is December 9th in Saginaw at Pulaski Hall. Dinner at 6:00 pm, Meeting at 7:00 pm... Nobles we would like you to be a part of choosing the leaders of Elf Khurafeh Shrine for the future. Also, we will have the major 50/50 drawing that night until we have a winner.

We would like to congratulate Noble and past Saginaw Circus Director, William C. Meyer on receiving the Thirty-Third Degree September 1, 2015 in Indianapolis, by the Scottish Rite Supreme Council, NMJ of A for his dedicated service to the Scottish Rite.

Fraternally,
Clarence W. Meyer, Jr., P.P., Recorder

MOTORCYCLE DRILL TEAM

Greetings from the Motorcycle Drill Team. We have had a very busy summer. The Team picked over 20 parades to perform in this summer. As you might know, Michigan has a short riding season compared to some other states, but thankfully we don't have the extreme heats that go with the longer riding seasons.

We are still in need of more riders, as our numbers keep dwindling. One member sold his bike due to medical issues, one is involved in moving grandkids between states, and one came to the opinion that kid games should be left for the kids after he broke his leg, therefore missing the rest of the riding season. What luck we have had. At least we have not had any crashes and don't want any. Sooo, if you know of anyone that may be interested in playing in the street with his 1000cc or larger full dress motorcycle, please give him our info. There are a number of individuals that would like to help the Shrine and our cause, but need the nudge to get going on that aspiration. To practice for doing our maneuvers, tell them to do u-turns, and they are ready to go; it's that simple.

We are now in company with a new Indian motorcycle, Ron Grundberg of Metamora had a refute with a certain popular bike company, and got an Indian motorcycle. He is in love with the new bike and handles it very well, and since he has received his name bar for his uniform, he is referred to as "Broken Arrow" less often.

A small contingent of the Team are going to the Great Lakes conference and competition. As we did not have time to practice for this competition, we will be going to Perrysburg, Ohio as assist persons, and may try our hand at the obstacle course competition only. We will proudly announce any winnings.

The pictures submitted in the last issue of the Arabian Knight paper and this months; are courtesy of a long time friend Mandy Rindhage of Oxford, MI. Mandy has become our unofficial but very consistant photographer, and assist in clearing the roadway of parade spectators so we can safely perform our maneuvers. A BIG shout out to Mandy and Thank you.

As we are closing in on our last parade for the season (in Caro) we still look forward to that nice day for just another ride. We don't have to go anywhere particular, just go for a ride. As winter sets in, most of our Team members are involved in other Masonic and civic endeavors which fills the void of riding, but not quite...

HARRISVILLE PARADE

Sarge was on duty!

***Just what's going on in that room at Circus Park?
Or the other title could be what is TeleMedicine and why should Elf
Khurafeh be involved in that issue?***

The easy answer to both questions is Elf Khurafeh and TeleMedicine is the next logical step to our responsibilities to "our kids." As Shriners our Philanthropic focus has always been to the care of those children who have been burned or suffer from the result of orthopedic issues. We formally treat these children from birth sometimes until they reach the age of 18 or until our World Class physicians feel we have provided them with the best life possible. Individual Shrine Centers raise money for our Hospitals and we transport these children to the hospitals for treatment. For the parents of these children the treatment is without regard to the parent's ability to pay for their children's care.

Enter now technology. Some of us watched our television sets as Neil Armstrong walked on the moon. Think back to that evening and the excitement and pride we all experienced. Now take a deep breath all you "old guys" and remember Walter Cronkite telling us that Armstrong's pulse rate only raised slightly. How did he know? Armstrong was linked through a very primitive form of TeleMedicine. All that became public to us in 1969 almost 46 years ago. We are not the first; however, Elf Khurafeh is on the threshold of changing the way we aid in the treatment of our "Shrine Kids."

Simply put a Physician in Chicago, who is also licensed in Michigan, will check over his or her patient in "real time" using the TeleMedicine equipment at Circus Park. These will be patients who are able to be seen through the Elf Khurafeh TeleMedicine facility. Not all patients will be appropriate and the physician will select patients who are able to be seen using this facility. There are 2 different monitors for the Doctor to review and our patient can speak with the Doctor no differently than using the speaker mode on a cell phone. We will have a trained person to assist the Doctor at the Tele Med Room who will carry out the physician's (in Chicago) instructions. Since the Doctor can see everything on the High Definition monitors and watch how the patient reacts and moves, the appointment outcome is no different except there is no 10 hours of driving, no hotel expense, no necessary loss of 2 days' work for the parents and the expense of replacing a van every 5 years will change for the future.

In researching our Transportation Expenses over the last 4 years we found that almost half of the "kids" we transport are for what the Hospital considers checkups. These checkups can take as little as 10 minutes to a long as less than a half hour. Then 2 drivers, a child and a parent are back in the Shrine Van for a 5 hour trip back to Michigan after a dinner on the road. TeleMedicine can potentially save our Shrine Center approximately a Million Dollars over the next 10 years. This savings will allow Elf Khurafeh the option of expanding our services to other areas. This will not eliminate the need for Transportation Drivers since we will continue to have a need for our Shrine Kids to go to Chicago and Cincinnati and now to Circus Park. The new Tele Medicine effort may also eliminate the need for Transportation to purchase a new van each year.

There has been significant support from some of our Clubs and Units to get this project off the ground and there is a need for some volunteers to act as Greeters when we start seeing children. Initially we can project a couple days a month to start and there is some interest from Shrine Centers other than Elf Khurafeh to join in to take advantage of the potential savings. At this time only one doctor in Chicago is credentialed to practice in Michigan however, there is an effort to add more doctors to be able to utilize our efforts.

We will be having an Open House for all Nobles and our community Friends to introduce our latest venture. The dates will be announced and all are invited. If you are in the area between now and then stop in and take a look at what your Elf Khurafeh leadership is doing.

Elf Khurafeh Shrine Center - *Webmaster Message!*

Online message every month starting April, 2015

Well here we go looking forward to spring, even more than usual! The website has taken on the body of many different aspects of our Shrine Center!

Every month new units and clubs take advantage of the up to date information they can provide to their members!

Illustrious Potentate Charles Frisby's calendar of events on his message page has been met with over whelming approval! With it you can browse into the entire year of his term and see the advanced proposed and scheduled events of his year by every unit and club that has made their activities known to the shrine center by either a e-mail to ekweb@ekshrine.com , recorder@ekshrine.com , or mailing to Elf Khurafeh Shrine Center , P.O Box 1 , Clio, Mi 48420!

We have new pages for several of our unit and clubs and can be accessed by going to Unit and Club page and clicking on name!

Those unit and clubs that have pages, remember it is your responsibility to provide up to date information to your members! New Shrine prospects are surfing our site every day to see if they can fit their busy lives into our GREAT ORGINAZATION that benefits Kids! DON'T LET THEM FALL THRU THE CRACKS by not providing the information on your Unit or Club!!

Communication is and always had been the key to our success!

Remember it's your website – make it work for our kids' sake!

HOSPITAL DRIVERS UNIT

Dear Nobles and Members of the Hospital Drivers Unit:

Please do not forget to attend our upcoming Safety Seminars in September and October. They are followed by a general meeting for all the drivers. Opportunity to meet each other and get information there. Saturday, September 26th at 9 AM we will meet at Pulaski Hall in Saginaw Township. Coffee and doughnuts to be provided. We will then hold our last meeting of the year in October on the 31st at Circus Park. Also on Saturday morning at 9 AM.

The meeting after our Safety presentation, will involve election of officers. IF any nominees are interested let someone know you have an interest and we will enter your name. We hope to have some nominees for office entered in at the meeting in September. We currently have one entered to replace Dennis Judd who is moving to Florida and will be unable to continue in his role as VP. I would welcome any Shriner Driver who is interested in taking on more of an administrative role and gladly place their names in nomination. Postcards will be mailed within the next week to also remind all of the meetings.

Respectfully Submitted

Robert Carlson - Secretary/Treasurer
