Second Section.....1:30 pm
Fezzing.....4:00 pm

Cost for the luncheon is \$20.00 pp
Contact the office for tickets or more
information: (810) 686-2641

Potentate's Message

Well here we are in April and how fast the year is going like they said it would, January brought cold weather and our circuses, I would like to say thank you to all the clubs and units, nobles and their ladies for all the support and help in Flint and Saginaw circuses and making them a success this year. At my installation I said we were going to try some new things so in February we had the first annual chili cook off which we all had fun with thirteen entrees. We also started our monthly comedy show which will be held on the second Friday's of the month at circus park and on the second Saturdays in Saginaw. Nobles, please

remember that you need to get the potentates permission to participate in any activities at any other shrine temple, this includes parades, circuses, etc. This is so we know where our nobles, clubs, and units are and that they are covered under the temples insurance. With the parade season rapidly coming upon us it is also important that the clubs and units let the recorder know your parade schedule for the year and so I can get a list so maybe I can come parade with you guys.

YOURS IN FAITH
RYAN A. STANLEY
ILL.. POTENTATE

- THE SOUTHERN AND NORTHERN PAPER SALE -

Don't forget about our annual Paper Sale. The proceeds are used for transporting our children to the hospitals. The Southern Paper Sale kick-off is June 5th at Circus Park and the Northern Paper Sale kick-off is June 19th at Charlie Ficks in Grayling.

ORIENTAL BAND

The band is going to the O.B. Jamboree again this year. Last year we won 1st Place in the Small Band category and we hope to win another trophy this year. Last year John Winters, Jr. was the featured horn player and was Honored by playing the National Anthem on his musette at the Awards Ceremony. If you would like to join our band please contact Gary Philburn at 810-938-0444.

Recorder's Message

Happy Springtime Nobles, if you're back home from the south please update your current Address, Phone No., and email to the Recorder at 810-686-2641 ext. 4... Your Shrine Officers hope everyone had a healthy and safe winter wherever you spent it (north or south). Our circus was a bit more successful over last years. Sales from Noble Tickets showed some improvement helping the bottom line, thank you Nobles for your support and help, remembering the Circus is Elf Khurafeh's largest fundraiser supporting the Temple operations. Please remember that Elf Khurafeh needs to operate in order to be able to help the children to and from our Shrine Hospitals. If you care to make a donation to our operating funds please feel free to do so. We still can use drivers to transport the Children to the

hospitals. Chicago Shrine Hospital has now partnered with Covenant Hospital in Saginaw for Telehealth. This is for follow up check-ups of 15-20 minutes instead of traveling to Chicago for the same. Chicago started this early in the second quarter of last year and it is working very successfully. When used, this is a large savings to our Transportation Fund and travel time for the drivers, parent and child. Nobles we need petitions for the May Ceremonial being held at Saginaw Shrine Hall, May 11th, 2019. Please help Elf Khurafeh gain members in 2019. Remember a Shriner should always try to sponsor one candidate to replace himself with and one for the Temple to grow with.

Fraternally, Clarence W. Meyer, Jr., P.P., Recorder

- CIRCUS PARK CLEAN-UP -

is scheduled for April 27 th at 8:00 am. Please help if you can.

Shriners Hospitals for Children®

Dear Fellow Nobles, Shriners International and Shriners Hospitals for Children® have a unique and very special relationship. While the two are separate organizations, they are united by a shared mission to improve the lives of children. Every Shriner and every staff member is committed to that effort.

That said, we have been communicating for some time now that, while our mission is sound and will not change, Shriners Hospitals' primary care delivery model must change to meet today's needs and expectations. We have explained that continuing to operate in the same manner, including maintaining all our large inpatient-focused facilities, is extremely and unnecessarily expensive, and takes funds away from our mission of patient care.

Approximately 85 percent of pediatric medical procedures are now performed in an outpatient setting, and this trend is expected to continue. We must adjust our delivery model to reflect this industry change.

We are responding, and in August, our Tampa facility will become the fifth in our health care system to become an outpatient or ambulatory care center. We have also been emphasizing reaching more kids by using today's technology, particularly telehealth, and by increasing community affiliations and access points. We will continue working to determine the best care models to meet both industry trends and our patient families' needs and expectations throughout our system.

At the 2018 Imperial Session, we reiterated the current situation, including that of inpatient numbers, daily censuses and operational costs. At that meeting, the voting representatives supported and approved moving forward with plans to realign and restructure several hospitals, including Cincinnati. These plans had been discussed and shared with the nobility over the previous several months, as well as just prior to Imperial Session. We have worked very hard to provide information to the nobles and staff throughout the process.

Specifically, having our Cincinnati location share space with another hospital was approved, with the provision that approval was also given by the Joint Boards and the Board of Governors of the Cincinnati Shriners Hospital. Both these boards approved the choice of Dayton Children's Hospital.

Shriners Hospitals for Children — Cincinnati was established in the mid-1960s in response to a lack of pediatric burn care. Over time, the severity and frequency of pediatric burn injuries has declined in the United States. Many procedures for these injuries, due in part to advances in treating burns pioneered by Shriners Hospitals for Children, have shifted from an inpatient to an outpatient setting.

The Cincinnati hospital has 30 inpatient beds. In 2018, the average daily census was 4.1. Repositioning our Cincinnati hospital within Dayton Children's will allow us to continue to deliver high-quality burn care and other services in a space that meets the needs of our patients today more appropriately, economically and efficiently.

We know that change is hard. Some will see change as a detriment – and some will see it as an opportunity and a challenge. What everyone needs to see is that it is our mission that is important, and that change has always been part of Shriners Hospitals for Children. It is no longer a single hospital created to serve children coping with the aftereffects of the poliovirus. Shriners Hospitals has changed and adapted repeatedly to meet the needs of the children it serves. Today's need for change is another example of being responsive to our patient families, as well as responding to trends and expectations of the health care industry.

Shriners Hospitals' total U.S. inpatient volume has decreased by 31 percent from 2013 to 2017; at the same time, operating expenses for inpatient visits have increased by 60 percent.

Continuing to operate indefinitely as a system designed primarily for inpatient care is just not financially feasible or efficient any longer. It is important to remember that our reputation for excellent, compassionate care has nothing to do with big, beautiful buildings, and that, in fact, the expense of our buildings financially impacts our ability to provide care.

As an organization that relies on the generosity of our donors, we must be good and conscientious stewards of resources, including our facilities' physical size and area.

The move to Dayton Children's makes it possible for Shriners Hospitals for Children to maintain its presence in southwest Ohio and continue to provide its local patients throughout its eight-state catchment area with regional access to burn care and reconstructive surgery services, while also offering care to children wherever they may live.

We are confident that if each of us – every noble and every staff member – focuses on our mission of providing excellent specialty care to children, works together, and trusts and supports the decisions of the voting representatives and board members, we can, and will, successfully transform our amazing, compassionate health care system and position it for a strong, respected second hundred years.

Shriners Hospitals for Children

America's Got Talent: The champions, former Shriners Hospitals for Children-Galveston patient Kechi Okwuchi received the "Golden Buzzer" from Simon Cowell after an emotional performance. Congratulations Kechi!

Greetings from the Chief Aide. A big thank you to all who supported the Temples first Chili Cook-off on February 9th. The event was a success. it made more then was budgeted. Not a whole lot more but I was pleased. Plans are already in the works for next years event. Also a big thanks to all who attended our 1st meat raffle on March 16th. This event was modeled after Moslems event. It to was a success and is being planned for next year. Both events would not of happened without the help and support of our wonderful Divan Ladies So Thank You Ladies.

Timothy Corrigan, Chief Aide

WHITE PINE SHRINE CLUB

After our hibernation in January and February, we resumed our monthly meetings in March. For April 16 we plan to meet in Lincoln, site TBD. Our meetings begin at 6 PM for social time, with dinner and the meeting to follow. All Nobles and Masons and their dates are welcome at all of our meetings. Contact Jim Herzog at pujsbayside@centurylink.net or 989 876-8598 for reservations or information.

Our May 21 meeting is scheduled for Ali's Up North in Au Gres. In September we expect to return to our terrific experience at the Knollview golf course in Au Gres.

June 18 is a very special meeting with a \$15 catered dinner aboard the USS Edson in Bay City. **A reservation by June 10 is a MUST** for this meeting! Call Jim at 989 876-8598. A tour of the ship is included. Wear your deck shoes and any Navy or other service memorabilia and we will salute the brave veterans who won and sustained our freedom. God Bless the USA!

The photo at the left is in fond memory of Noble Bill Downey, far left, who was always eager to participate in every Shrine activity. We miss you, Bill! Our Float has been cocooned in shrink wrap for the winter, thanks to John Yonan, far right, and is readily available for early parades. Our usual start has been the Memorial Weekend in Au Gres. As always, our biggest parade is the 4th of July in Tawas. Parades are an excellent opportunity to show our communities that we are active in supporting the needs of challenged children where we all live.

Welcome to our 2019 Potentate's Rep, Noble Barry Thurston and his Lady Faye. We look forward to your participation in our meetings and activities.

Bring a friend to Shrine in 2019!

Bob Thacker, scribe

Local Shriners raise funds for children's medical needs

By Trevor Drew

trevord@arenaindependent.com
989-387-9140

STANDISH — Members of the Elf Khurafeh Shrine, the White Pine Shrine Club, which is based in Arenac and Iosco counties, work year-round to raise funds for Shriners Hospitals for Children, a network of 22 nonprofit medical facilities across North America.

Some of the Shriners Hospitals specialize in orthopedic issues, while others focus on severe burn injuries. White Pine Shrine Director Bob Thacker said, and it is the mission of all Shriners to support these facilities for the sake of the children they benefit.

In a given year, Thacker said the White Pine Shriners typically accumulate around \$12,000-\$13,000 to go toward Shriners Hospitals.

"They don't have to pay anything for transportation, meals or accommodation for the child in care or their guardian or parent," Thacker said. "That's why we have

to work real hard to support the shrine, so they can get that medical care."

To raise funds, the White Pine members sell Shriners newspapers through June and July, and also sell Vidalia onions from Georgia in Standish, Au Gres, Oscoda and other locations, Thacker said.

Thacker said the shrine also gets donations and gifts from businesses throughout the year to go toward supporting Shriners Hospitals.

The Shriners present wall plaques to businesses, and sometimes individuals, who contribute up to \$100 toward the shrine, he said. If a business consistently donates for 10 years, it receives a special plaque honoring its contributions throughout the years.

"A lot of these families don't know where to turn to get help when they have a child born with (orthopedic) difficulty or they have a child injured in a house fire or something of that nature," Thacker said. "It's kind of hit or miss out

there for those parents. I've never done a single event that I don't have someone come up to me with tears in their eyes saying, 'Thank you because my niece is there,' or 'My cousin went there' or 'I was there when I was a child.' It's very rewarding to hear that."

While the White Pine Club currently has 35 members, Thacker said the Shriners, like many similar organizations, have been struggling to maintain membership.

"We have some young members that have families starting out and we have a lot of older members," Thacker said. "And as they become unable to help because of their own health or they are a caregiver to someone else, they can't be there helping sell onions or papers or plaques, so we are always looking for new members."

One of the challenges in getting new members, Thacker said, is the fact that to become a Shriner, one must already be a member of the

Staff of the North Central Area Federal Credit Union in Standish pose with members of the local White Pine Shrine Club after presenting a \$900 donation to them Jan. 11. Donations from businesses are one way the Shriners receive funds for Shriners Hospitals.

COURTESY PHOTO

Freemasons.

Anyone interested in learning more about the Shriners are free to approach them as they are out in the community in parades or

selling onions or newspapers, Thacker said.

"Just ask anybody in a funny hat if you want to learn more about it," he added.

This is in the Arenac Independent Jan 30 2019. I sent in the picture and a caption and they responded with a request to interview me over the phone for an article about the shrine in the local area. This is the result. They discarded the names of all individuals in the picture and credit to Jess for photography. I guess they ignored my suggestion to contact our President to add his comments. I regret that I did not mention the phone number for parents to call.

Nice to get some recognition, since the Independent so rarely prints anything related to Masons or Shrine.

Shriners' Run in Clio is held to benefit Elf Khurafeh Shrine and promote their values of brotherhood, family, fun and philanthropy. Originally created for fellowship, the Shrine now includes opportunities to develop community and business leaders, create family unity by providing many family-oriented activities and promoting our shared values; all while bringing hope and healing to less fortunate children.

*One and a half hours race time cut off.

Timing

Timing and results will be provided for the 5k Run and 5k Walk by EnMotive. We will be using disposable B-tags that remains attached to your race number bib. For accurate timing, just wear your race number on the front of your shirt using four safety pins.

**Facilities: Port-a-johns only.
Come dressed to run or walk.**

A MESSAGE FROM THE HOSPITAL DRIVERS UNIT

I am adding the dates and locations with times of our four annual Safety Seminar Meetings that were somehow omitted from the Calendar that was sent out to all members and would like to know if you can get these dates published in the earliest Arabian Knights that is going out. We need to convey these dates to our members as soon as possible.

On April 27th in Alpena at the Masonic Lodge at 10:00 AM will be our first of 2019, followed by May 25th Saturday at 9:00 AM at Pulaski Hall in Saginaw Township, then again in Saginaw Townships Pulaski Hall on September 28th at 9:00 am. and finally Circus Park, Clio on October 19th at 9:00 am.

I will also try to reach our members through email and snail mail for those without electronic mail.

Thank You,

Robert Carlson, Secretary/Treasurer - Hospital Drivers Unit
EKS, fujibob@att.net

CASH CALENDAR EXPRESS

The 2019 Cash Calendars has proven to be a success again this year. We want to thank all the individuals who sold calendars. We had 29 Clubs and Units that sold calendars. The Fenton Shrine Club sold the most with the Arab Patrol second and the Bay Area Shrine Club in third place. The individual that sold the most calendars was Noble Eugene Reid from the Fenton Shrine Club. We also want to thank James Griffiths and David Roe who were second and third. Good job Nobles!
