

Elf Khurafeh Shriners

November 4, 2022

Dear Sponsor,

Elf Khurafeh Shrine & El Said Court No 28 are excited to announce they will be holding their inaugural [FEZtival of Trees](#) this year. The FEZtival will take place Friday thru Sunday, November 25-27, 2022 at Circus Park in Clio. This FEZtival is an essential fundraising activity for the year.

Please consider donating unwrapped presents, holiday decorations and/or decorated tree or wreath for the FEZtival. Financial donations are also gratefully received, and donors gifting \$500 or more receive special recognition. Funds raised through the FEZtival raffles assist with the expenses associated with the Shrines to maintain operations and provide the supreme care so many of the children in our community deserve.

Your timely response will help us with our promotional efforts. Donors will be published in FEZtival materials and recognized during the event. Cash donations are also gratefully received, and those donors of \$500 or more receive special recognition.

During the past few years, over 100 families have received the emotional, social and financial support of the Shriners in their jurisdiction. The Shriners continue to focus on the quality of life these children dream about and provide them the means to make it happen. Your generosity will make a positive difference in the lives of many children. Research shows that children who are active socially, emotionally and physically will grace their community as good citizens and leaders.

We are aware of the hardships that many businesses and individuals are facing as a result of the COVID-19 pandemic and understand that you may not be in a position to donate this year. We wish you the best as you work to deal with the effects of the pandemic, and yet, hope you may be able to help the Shriners for 2022.

Thank you for your serious consideration of our request in becoming an event [Sponsor](#). Please coordinate directly with Lady Laura for pick up or delivery of your donation.

Sincerely,

Jeffery W Downing
