May 20, 2020

Nobles and Ladies,

Today is a sunny and beautiful day, but many of our Nobles, Brothers, family, and friends are facing the mounting devastation of the past several days rain. Five days of rain has caused flooding in much of Mid-Michigan. In the past 24 hours two dams have failed along the Tittabawassee River, causing flood waters to destroy homes and property in Ogemaw, Gladwin, Midland, and Saginaw counties, and more.

If you live in these areas, or know people in these areas, please reach out to those affected by this disaster and make sure they are ok. If they do not answer a phone call keep trying to reach them, they may be in trouble.

If you, your family, neighbor, friend, or anyone else needs help let us know. Food, clothing, pumps and hoses, chainsaws, and trimmers, whatever you may need. The Shriners of Michigan, Elf Khurafeh, Moslem, and Saladin, are all working together to help you.

Please call me, 810-397-3360, Phil Brack, 810-577-3316, Clarence Meyer, 989-781-6010, or Barry Thurston, 989-708-0694, with any information, needs, and requests.

Stand up! Reach out! Be of service! Our family and friends need our support and help.

Your humble servant.

*John E Arnould*
